

Call for posters

The 8th European Conference on standardization, testing and certification in the field of occupational safety and health provides a forum to present your work in an informal and interactive setting. Posters are ideal for presenting recent results or for giving an introduction to interesting and innovative work in progress. We invite all participants to submit posters addressing the current and expected changes, challenges and opportunities related to standardization, testing and certification.

Poster Abstract Submission

If you would like to present a poster, please submit your poster abstract [HERE](#).

Each author can submit only one abstract and must register.

A poster abstract must:

- be written in English
- not exceed 200 words
- indicate the author and co-authors' details (Full first and last name(s), affiliation details: department, institution, city, state (if relevant), country)

The poster abstracts will be reviewed by the Organizing Committee and the decision of acceptance will be communicated on an ongoing basis, no later than 10 May 2024.

Please note that posters with a commercial approach will not be considered.

Poster requirements

All posters should be in English in size A0, portrait format.

Poster Session

Poster sessions will be held on 13 and 14 June 2024. Posters will be displayed in an open space so that authors and participants have an opportunity to connect with each other and engage in discussions about their work between conference sessions.

Best Poster Award

The conference will provide an opportunity to highlight interesting and innovative work and studies. All participants are invited to submit posters addressing the current and expected changes, challenges and opportunities related to standardization, testing and certification. The conference participants will vote for the best poster and the winner will be announced at the conference.
